

**University of Mary  
Military Scholarship Application**

The University of Mary will grant scholarships to undergraduate and graduate students who are eligible to apply for military tuition assistance through their respective service branch.

Eligibility Requirements:

- Only students enrolled at the University of Mary, including satellite locations, will be eligible to apply for this scholarship.
- Students receiving full tuition benefits from any other combination of sources will not be eligible for the University of Mary Military Scholarship.
- The University of Mary Military Scholarship will not hold precedence over needs-based grants.
- Students not eligible to receive **military tuition assistance (TA)** will not be eligible for the University of Mary Military Scholarship.
- Individuals receiving Post – 9/11 GI Bill (Chapter 33) benefits will not be eligible for the University of Mary Military Scholarship.
- Undergraduate students taking courses at the Main Campus are required to be of full-time status.

Military students will be billed tuition charges at the university's stated rate. Eligible undergraduate students will receive a scholarship rate not exceeding \$200 per credit with a maximum of \$2400 per semester. Eligible graduate students will receive a scholarship rate equal to the difference between the University's stated tuition rate per credit and military tuition assistance rate per credit. These rates are subject to change at the discretion of the University of Mary.

The scholarship will be applied to site based and online programs for undergraduate and graduate students. Military scholarships apply only to tuition. The student will be responsible for all other charges and fees.

The Military Scholarship Application must be completed and signed by the enrolling military student, and returned to:
