## Completion Rates for 2019-2020 Graduates

Students enroll in the Graduate Counseling Program starting in the fall semesters. If a student enrolls in one concentration, the program takes five semesters to complete when enrolled full-time. If a student enrolls in two concentrations, the program takes approximately seven to eight semesters to complete when enrolled full-time. For the Fall 2018 students that started, we had 27 students start the program with three students enrolling with two concentrations. No students started in Fall 2019 and enrolled in two concentrations.

Concentration	Number Starting Fall 2018	Number that Graduated in 2 years	Completion Rate
Addiction Counseling	6	4	66%
Clinical Mental Health Counseling	14	12	85%
School Counseling	4	4	100%
